Company History:

Luna tyres is a renowned brand of cycle tyre manufacturers in Kolkata and East India. The company was established in 1973. The name Luna, was inspired by the Russian space program, and the aim was to create cycles tyres that provide speed, precision and trust.

Luna has pioneered nylon cycle tyres and its technology over the last five decades. Luna has an installed capacity of 30 lakh tyres annually.

Through its research, technology and strong market research, Luna has worked on a range of cycle tyres for different terrains, including mountain bike tyres, passenger bike tyres and auto rickshaws.

Management:

The management of RD Rubber Reclaim Limited has acquired Luna Tyres under the name of Luna Limited in 2026.
